PROFILE SUMMARY

- Aspiring Full-stack Developer passionate about building user-first web and mobile applications with a focus on Responsive Web Design, Accessibility, and Cross-browser compatibility.
- Proficient in AI Integration and Web Performance Optimization.
- In-depth knowledge of UI/UX design principles and attention to detail, coupled with strong communication and problem-solving skills, enables effective collaboration with design teams.
- Utilizes advanced development tools for maximum efficiency and code quality.

RELEVANT SKILLS

- **Front-end technologies**: HTML, CSS, TailwindCSS, JavaScript, TypeScript, ReactJS, Redux and React Native
- **Back-end technologies:** NodeJS, ExpressJS and REST API
- **Database**: MongoDB
- **Designing tool**: Figma
- **Version control tool**: Git
- **More**: AI Integration and Prompt engineering

EDUCATION

- MCA | Lovely Professional University (Punjab, India) CGPA: 7.52 | 2024
- BCA | Govt, Bangur PG College (Rajasthan, India) Percentage: 86.23% | 2021
- XII (RBSE) | Govt. Bangur Sen. Sec. School (Rajasthan, India) Percentage: 70.60% | 2018

PROJECTS

- **LearninGo** | ReactJS, NodeJS, ExpressJS, MongoDB, Generative AI | Live | Code (Nov 2024)
  Developed a personalized learning platform using GeminiAI. Students faces problem when they try to practice questions from different domains on one platform. With LearninGo, they can practice any topic in various languages through interactive MCQs, tailored to their skill level. The platform leverages GeminiAI for generating fresh questions and offers gamified features to enhance the learning experience.

- **Newzlash** | ReactJS, NodeJS, ExpressJS and MongoDB | Live | Code (Jun 2024)
  Created a web application to curate and deliver personalized sustainability news. Newzlash addresses the challenge of information overload by providing users with a tailored news feed based on their specific sustainability interests. The platform filters out irrelevant content, enabling users to stay informed and make informed decisions within their chosen niche.

EXPERIENCES

- **MERN Developer Intern** | UptoSkills | Certificate (Nov 2024 – Feb 2025)
  Implemented 15+ features across multiple projects, resulting in increased user engagement. Successfully resolved 10+ critical bugs ahead of deadlines, contributing to improved application stability and user experience. Collaborated with a team to deliver high-quality projects.

CERTIFICATIONS

- **Web Development** | Internshala | Certificate (Feb 2024)
  Completed training on Web Development with 88% grade. Gained proficiency in HTML, CSS, JavaScript, React and Bootstrap. Also learned PHP & MySQL.

- **NodeJS** | Simplilearn | Certificate *(Mar* 2024)
  Completed NodeJS training and developed expertise in NodeJS, ExpressJS, REST API, JWT Auth, MongoDB and MySQL using NodeJS.

- **UI/UX Design** | Internshala | Certificate (Oct 2021)
  Completed UI/UX design training with 82% grade, earned skills in Design basics, Figma, Design systems, Web design, Typography, Iconography etc.
