## SOFT SKILLS

Time management · Team work · Flexibility · Team work · Patience · Creativity · Attention to detail

Portfolio

Driven Full Stack Developer with 5+ years of experience crafting user-centric interfaces for web and mobile applications. Proven ability to deliver beautiful, functional designs that meet deadlines and user needs. Proficient in HTML, CSS, and JavaScript, and I'm actively expanding my skillset by learning MERN Stack. I possess a strong understanding of UI/UX design principles and have a keen eye for visual detail. My excellent communication and problem-solving skills allow me to collaborate effectively with design teams.
